## Saint Jean Imported French Ravioles

PRODUCT OF  
FRANCE

A beloved specialty from France's Lyon region, Ravioles du Royans are delicate pasta squares filled with a creamy blend of Comté cheese, cream cheese, and fresh parsley. Each raviole is about the size of a postage stamp and individually quick frozen (IQF) to prevent sticking or clumping — ensuring they remain perfectly intact. Simply cook in boiling water for just 2 minutes, and they're ready to serve!

Now introducing two new gourmet varieties: Ravioles with Goat Cheese and Ravioles with Black Truffle & Cheese. Celebrated for their refined flavor and quality, Saint Jean Ravioles are a true gastronomic delight — featured on the menus of top chefs and ideal as a sophisticated first course or elegant entrée.
